OUR WAR EFFORT

Secretary Wickard has said, "Food will win the war and write the peace." Our little town with a population of less than one thousand has sent over fifty of its young men into the armed forces. We are proud of these fighting men and we are proud to produce food for them and for those who fight with them to protect our way of life.

Milk and eggs and potatoes are just as much weapons of war as planes or guns or tanks. So we take pride in reporting Loudon's part in "passing the ammunition" of food to help lick the Axis.

Our real estate is valued at \$555,264. We have 97 horses, 599 head of stock, 56 sheep, 13 hogs, and 20,590 hens. Food in the form of cash crops is grown on 347 acres of our land. This same land we are told is some of the most fertile in Merrimack County.

For your information we list some of our largest producers of eggs and milk. These lists are taken from the town inventory of taxable property and include flocks of 1,000 or more hens and 20 or more head of stock.

The poultry producers with 1,000 or more hens are:

Eben Chesley	Charles Pearl
Leonard Hill	Benj. E. Smith
Roy Maynard	Rolfe and
Kenneth Pearl	Gerald Smith
Nola Pearl	Dodge and Freedman
Victor Pearl	(Broiler Plant)

The dairymen with 20 or more head of stock are:

Roy Maynard	A. L. Osgood Heirs
Clarence Merrill	W. O. and R. E. Perkins
John F. Osborne	Edwin Sleeper

In addition to this, cash crops are raised on most of our

farms with potatoes, sweet corn and squash among the leaders. Many gallons of maple syrup are produced as well as wood, lumber and beef cattle.

This is a brief summary of Loudon's part in the war effort. Farm life here is a good way of life—a way worth fighting for.

LEONARD S. HILL,

REPORT OF SELECTMEN

To the Citizens of Loudon:

We hope you people enjoy this report as much as we value the privilege of telling you about the problems of Town Government. Your advice and suggestions in the past have helped and we solicit them in the future.

General Government

You will notice in the Town Budget an estimated increase of \$199.00 in the budget figures for Town Officers' Salaries. The \$1,000.00 appropriation includes an increase of \$65.00 for the chairman of the Board of Selectmen, \$50.00 for the second, and \$30.00 for the new board member; \$25.00 more for the Town Treasurer; \$24.00 increase for the Town Clerk; and a raise of \$25.00 in the Tax Collector's salary. Your town officials are among the lowest paid in the state and pay all their own travel and expense. So, in line with the state's policy this increase has been made.

Protection of Persons and Property

The fire house is nearly completed and we feel everyone is proud of this attractive building and our modern, efficient equipment. All credit to Chief Brown and those who have worked with him to make this possible.

Highways and Bridges

In our first year with one Road Agent instead of three as in the past, we find \$4,055.77 spent, compared to an appropriation of \$4,000.00. However, our Agent has spent only \$3,809.39 of this amount, the remainder was used by last year's Agents.

The sum of \$2,762.00 received from Gas Money was used to scrape roads, repair bridges, and patch town tar, thus saving the taxpayers many dollars in maintenance.

The Selectmen contemplate the purchase of a motor

grader. It appears the saving in grader hire would retire the cost of this equipment in about three years. Best of all the machine would be available whenever needed. The \$1,000 estimated cost of this machine is included in the \$1,800.00 budget item for General Expenses of the Highway Department.

Public Welfare

The cost of Town Poor has been again reduced from \$3523.60 in 1939 to \$633.30 in 1942 with a further reduction to \$500.00 expected for 1943. This five year decrease means a saving in the tax rate of approximately \$0.50 on \$100.00 of valuation.

Schools

The School appropriation has been reduced from \$10,997.00 in 1941 to \$9,129.38 in 1943. This figure is all the more remarkable when we remember that included in it is a raise in teachers' salaries and the higher cost of fuel and supplies. The School Board deserves our praise for a job well done.

Tax Rate

The rate of \$3.85 saved all of us many dollars in taxes. We appreciate your help in keeping down appropriations to make this possible. With your continued cooperation we hope for a tax rate of \$3.50 for 1943.
